The 2018 Kudzu Cup Fore! Kids supports camp programs and scholarships for children living with type 1 diabetes. When you golf in the Kudzu Cup Fore! Kids, you make a positive difference.

These benefits are a summary, please contact us for a complete list.

Camp Kudzu educates, empowers and inspires children living with type 1 diabetes (T1D). Children and teens are:

- taught how to manage their health, nutrition and medication
- connected with helpful resources & a supportive network of peers living with T1D
- shown that THEY CAN DO ANYTHING ... just like other kids

Kids learn best during fun experiences when they are relaxed. That is exactly what happens at Camp Kudzu. Since 1999, Camp Kudzu has been making kids' lives better. Research has shown that children who have access to quality diabetes management education while young can reduce the risk of diabetes related complications.

Camp Kudzu is an independent, nonprofit organization.
