

# 2018 Scholarship Application

We strive to ensure that children and their families have the opportunity to experience Camp Kudzu's programs regardless of their financial resources. We encourage families to pay as much of the camp fee as their financial situation allows so that we can assist as many families as possible. Scholarship internal guidelines are based on household income, number of members in your household and special circumstances. All information provided in the scholarship application is confidential.

The non-refundable deposit is required for all campers, and will be processed once your camper registration and scholarship applications are approved. Families will be notified regarding scholarship status and balance (if any) within 30 days. If you have any questions about scholarships and the non-refundable deposit, please contact Mandy Conroy at [mconroy@campkudzu.org](mailto:mconroy@campkudzu.org) or at 404-250-1811, x24.
